Gay 90's Revue Draws Crowds Both Nights

Pleasing their audiences on each occasion, the P.T.A. brought to a successful close its two-night performance of a "Gay 90's revue" Friday evening.

Composed of local talent from among townspeople and the school's organization, the cast went all-out to make this year's production chock-full of good entertainment right down to the sale of peanuts at intermission. Authentic costumes and music of the period added to its enjoyment.

Highlight of the performance was unquestionably the can-can performed by Floradora girls Thelma Essex, Evie Junker, Dorothy Lukens, Ella Mae Cardoza and Gwen Seibert.

Getting a hearty round of applause also were Evie Junker and Lafe Page in their bowery clog.

Carl J. Sanders, Jr. ably handled master of ceremony duties and Nancy Allen was accompanist. The melodrama entitled "She Was Only a Milkman's Daughter But She Was the Cream of the Crop" and the male quartet were other features.

Mrs. John Lukens, P.T.A. president, paid special tribute to the help given by Mrs. Howard Decker, Mrs. A. B. Holborow and the co-directors, Mrs. Evie Junker and Mrs. Dorothy Gage. She said that the treasurer, Mrs. G. T. Alleman, reported a sum of \$156.33 turned into the treasury. It was voted by the membership to use proceeds from the affair to purchase playground equipment. Compared with the income from the minstrel show given last year, the profit this year was actually a slight bit more, because of the lower admission prices.

Mrs. Lukens said the P.T.A. was especially grateful to all those who gave so willingly of their time and effort to make the revue the success that it was.

Believe Attempt At Theft Stymied

What was believed to be another attempt to rifle the Gregg's super market was foiled last Saturday evening.

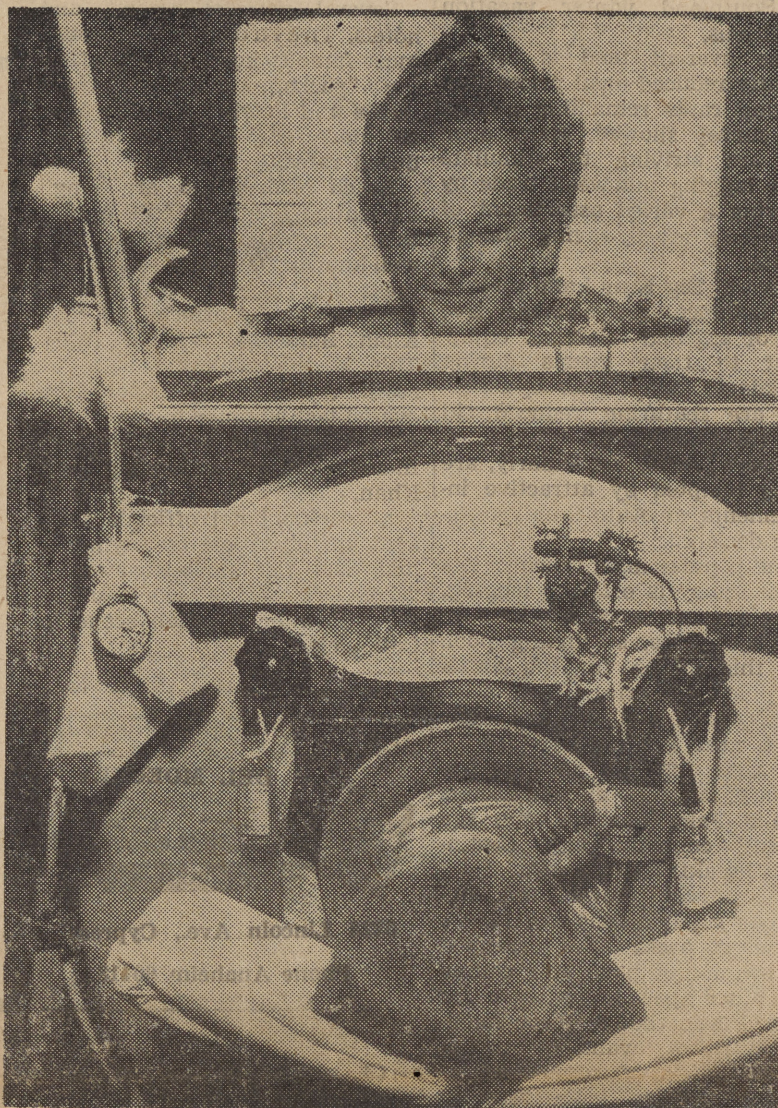

Because of being molested upon several occasions, Mr. and Mrs. M. R. Gregg moved into a trailer behind their store on February 20 to protect their property.

Having closed the market about nine o'clock, they had finished an evening snack and were about to retire when voices were heard outside. Somebody was heard to say, "But they never lived here before." The Gregg's thought for a moment that VFW members might have been present at their hall, except that about that time voices broke in to speech in a foreign tongue.

Gregg was quick to act from his vantage point in the trailer, but the intruders, evidently completely surprised by the fact that there were residents in the neighborhood, made a hasty retreat and escaped.

M. Henson New At Gregg's Mkt.

Produce and vegetables at Gregg's super market, 5941 Lincoln avenue, were taken over Wednesday by Martin Henson. He was formerly employed in the citrus packing industry.

UNUSUAL PHOTO above shows Dickie Holmes, 10, son of Mr. and Mrs. Richard Holmes, Buena Park, in his iron lung at Rancho Los Amigos hospital. He was stricken with polio on September 19 last year.

Said In Cypress

That we were glad to pay tribute to the nice recognition Gloria McKinzie is receiving for her contributions to the columns of her hometown paper. At a recent meeting of the Cypress women's community club, the letter recently published from the teenagers, and which bore Gloria's signature among others, was given favorable mention.

That the "budding" author's insistence for a "gossip" column after a year and a half has resulted in "Chit chat from the teenagers" which is being capably handled by the young lady herself. As evidence of the merit of her effort on the behalf of the teenagers, we submit the information that an item in the March issue of "California Publisher", official publication of the California Newspaper Publisher's association, featured "Chit chat" and its author.

That to compensate to a degree for the trials experienced in handling a column, we submit the following lines of verse. They were given to us recently in a solicitous moment by an ardent reader and apply to any editor, male or female, teen-ager or better.

"After 'Thirty"

An editor knocked at the Pearly Gates,
His face was scarred and old.
He stood before the man of fate
For admission to the fold.

"What have you done?" St. Peter asked,

"To gain admission here?"
"I've been an editor, sir," he said,
"For many and many a year."

"The Pearly Gates swung open wide,

Sandy's Service Displays New Tire

C. J. Sanders, Sr., whose service station represents the Seiberling Tire company here, attended a meeting of the company's representatives in Los Angeles last Tuesday at the Mayfair hotel.

At a luncheon meeting which was attended by the president and vice president of the Seiberling company, as well as other high officials, it was revealed that the company has developed what it claims is the rubber industry's first "1950 model" passenger tire.

Seiberling said it has made a tire 45 per cent stronger than earlier types by re-contouring the low pressure tire into what it calls a "flex-arc" pattern. This adds rubber at the tire shoulder to spread the "flexing area"—the point where the tire bends—over a much wider area than before.

The new "flex-arc" design will be used in the company's "Safety" tire in its premium-quality "Safe-Aire" tire. Stocks are now being received by Sandy's Service here, where they are on display.

St. Peter touched the bell.
"Come in," he said, "and choose your harp."
"You've had your share of hell."

CYPRESS ACRES FIRE DESTROYS BUILDINGS

Cypress volunteer firemen had a call at the "Bob" Roberson property just off Crescent street in Cypress acres about 2:30 a.m. Thursday.

It was reported that a feed barn, store room and equipment were destroyed.

T. "Texas" Tyler To Sing at Horse Show on Sunday

Mark Smith introduces another one of his many well-known western friends to his horse show guests next Sunday, March 12 at Knott's Berry farm.

T. "Texas" Tyler, the gravel voiced cowboy of radio, television and movie fame, will be Mark's guest at both the 2:00 and 4:00 o'clock performances of the daily show.

Long a favorite of western

T. "Tex" Tyler

music fans, T. "Texas," his guitar and band have made many hit recordings in the past. His unusual musical organization is just completing a successful engagement at the Riverside rancho.

T. "Texas" will entertain Mark, a fellow Texan, and his guests with several of his better known tunes. For many years an old riding "podner" of Mark Smith, T. "Texas" Tyler will add a musical note to the already thrill-jammed show.

Firemen Sponsor Men's Quartet

At a meeting Tuesday evening of the Cypress volunteer fire department, members agreed to sponsor a "barber shop" quartet composed of Cypress businessmen.

The group prepared several numbers for the Gay 90's revue given at the schoolhouse last week by the P.T.A.

Available for public meetings and special occasions, the singers will practice in the schoolhouse to enlarge their repertoire.

Those who appeared as the quartet were Haskell Kelley, Jerry Kelley, Elmer Corby and C. A. Thorsen.

Building Plans Change—Construct Two New Stores

The space between Corby's barber shop and the Cypress beverage store on Lincoln avenue will be occupied by two new stores instead of one as originally planned.

A. E. Arnold announces that the new construction calls for one store building 20x75 to house a dairy supply company and another 18x60 which will be occupied by the Cypress Beverage store.

The small building which is now Rick's Watch shop will be moved out and the equipment transferred to the building now used by the Cypress Beverage store. It was necessary to move Rick's to the east side of the liquor store for the present, since regulations call for a frame building to be placed at least five feet away from another structure.

Lose Landmark

Sacrificed to progress will be the warehouse behind the liquor store. Old timers will recognize it as the town's first fire station. It was large enough to house the Model T Ford chemical truck used in those days, about 1926.

First built on property LaRue owned, he sold it to a man named Moss for \$75. Finding the edifice to be heavier to move than expected, Arnold consented to purchase it for \$75.

Every time the building was moved, it cost \$15 or \$25. However, owner Arnold was quite sure this week he had a buyer at the original price he paid—\$75.

If so, Cypress will lose another landmark.

New Store Holds Grand Opening Here Saturday

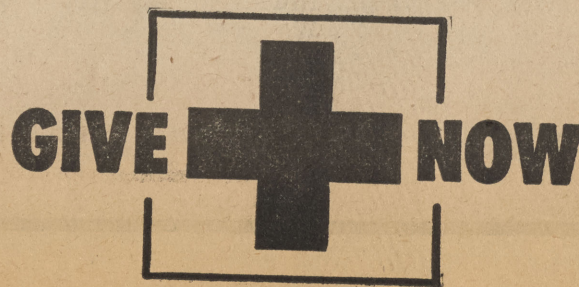

Arnold's refrigeration, new dairy supply store at 5516 Lincoln avenue, is holding a Grand Opening sale beginning Saturday, March 11. The items will continue at sale prices through the following week.

Arnold Schinnerer, owner and manager, is taking this means of introducing his new store to this community. Formerly the Albert Davig company in Bellflower, Schinnerer says that the name, location and telephone numbers may be different, but his store will maintain its same high quality merchandise and service to dairymen in the community.

Get Stop Signs; For 2 Crossings

Chairman of the Cypress chamber of commerce's roads and highway committee, A. E. Arnold, received word this week that stop signs will be installed at two crossings near here. Requests for signs at Orange and Miller and Crescent and Miller have been approved.

County road commissioner Sprenger reported the favorable decision.

I RISE TO REMARK by John Phillips

With evidence that the West Coast is now the line of defense, and with the Pacific islands which cost so many lives, tossed away as a barrier by an amateurish Secretary of State, we should think a little more of California's position.

The President tied up \$600 million of the money voted for a 58 group air force. This dissipated trained workers, many in West Coast factories. It is reported we have one efficient combat division in the Army. The Marines' 23 fighter squadrons are cut to 12; Navy carrier air groups from 14 to 9, and Air Force groups to 38. I count this lack of Western defense as part of example No. 2.

A short while back there was a sudden furor over the rumored removal of airplane manufacture inland. It was hastily denied, but the fact remains that a public relations man for the Department of Defense did make such a statement on the West Coast. I will put this down briefly as Example (3) with the reminder that this idea to count out the West Coast originated in the White House, and that we should watch the placing of contracts. That is the test, not a statement that western plants will not be moved; we must watch whether contracts are quietly shifted inland, and we should watch the coast's unemployment index.

Two Ships

Now, Example (4) could be the case of the ships MARIPOSA and MONTEREY. In substance my subcommittee has for three years indicated its desire that these ships should be rebuilt and

put back in service. This also means work for West Coast shipyards. I note here that the opposition to this work has come from the most administration-minded member of the Maritime commission.

That example might be a coincidence but there is no coincidence in Example (5) the White House attitude towards the veterans in California. Observe I say the White House attitude, not Veterans Administration. Decisions on opening and closing hospitals, and locating them, are strictly White House prerogatives. When the first post-war list of new bed construction was issued, there was not a single hospital for California. Yet taking arrivals and births, and deducting deaths and people leaving, the net population gain in California, since W. W. II has been 1,000 per day. Of the adults, about 60 per cent have been veterans. The waiting lists for hospitals, transfer or admission, are as long as your arm. The decision has been to close the Long Beach hospital, and the refusal so far to use the \$17 million (total investment to date) hospital at Corona.

California Withdraw

During the war I wrote jokingly, after watching war agencies sending materials we needed desperately—in my state, that California should consider withdrawing from the nation, and going on lend-lease. California could get money from the International Bank; Paul Hoffman would rush food and equipment to us with ECA funds; another agency would send us doctors,

RESORTS DANGLING "BAIT" FOR FIRST TIME SINCE WAR

For the first time since the war, California resort owners are dangling "bait" to attract prospective vacationists to their winter havens.

Resort business is down as much as 20 per cent in certain areas and off about 10 per cent generally.

These were findings released today by the Outing and Hotel Bureau of the Automobile Club of Southern California, following its latest spot-check survey of Southland winter vacation conditions.

The over-all trend is toward slightly reduced meal prices with lodging rates remaining steady, the survey showed. Many owners are striving to stimulate their lagging mid-week trade by offering a varied assortment of special money-saving inducements.

Several Big Bear Lake resorts, for instance, are offering free use of ski and toboggan equipment to their guests during weekdays. Many snow sport areas are featuring reduced ski tow rates.

Desert lovers, particularly, are being tempted by attractive inducements, an Auto Club spokesman declared.

One popular dude ranch in Lucerne Valley is offering lodging, meals and all ranch facilities including horses, swimming pool, etc. this month for the amazingly low American plan price of \$5 per person. Another dude ranch near Victorville is featuring free first-run movies frequently. Many hotels and motels in the Palm Springs area are serving complimentary continental breakfasts to guests.

The survey showed that numerous small motels and lodges in desert areas have arranged for swimming pool, golf course and other special privileges for guests, even though these facilities are not available on the grounds.

Many resorts have recently completed swanky modernization projects, an excellent example being the large 29 Palms hotel which has installed a streamlined glass-enclosed swimming pool and recreation hall for the comfort of its guests.

Competitive price-cutting on regular rates is not evident at this time, the club survey indicated. However, one popular guest ranch near Solano Beach is advertising a half-rate plan during weekdays which provides for greatly reduced costs for wives and children when accompanied by full-paying guests.

engineers and advisors; UNESCO would educate our children (probably along lines of which many of us would not approve!); the government would encourage the reopening of our mines; we could join an international council to discuss ways of getting money from the United States; and instead of being expendable there would be a "North Pacific Pact," supplemented with a billion dollars from the Congress, to protect us.

However, the bluebird flew back through the window, after hearing the British election returns, and for the moment at least, the raven is speechless.

Agency Lists 36 Ways To Spell Baer—Or Is It Beauher?

How do you spell Smith?

According to the U. S. Social Security administration, which has issued nearly 100 million social security cards in the last 13 years, there are 13 ways to spell the name Smith and its variations.

The administration also has in its files 13 different spellings for Bolan and Cousins, 14 for Sherman and Kyser, 15 for Baker, 17

for Weiss, 18 for Lehman, 22 for Bailey, 25 for Mail, and 29 for Snyder.

But the prize so far goes to Baer. This name can be spelled 36 different ways. Doubt it? The regular monthly meeting of the Cypress Woman's community club will be held next Tuesday, March 14. Mrs. Murton Jones, the club's president, will be hostess to the group in her home at 8592 Walker St.

MEN'S MEETING

Members of the local Busy Bees club announce a meeting next Tuesday evening at the VFW hall to which all men interested in becoming members of an Odd Fellows lodge are invited. The Busy Bees will eventually organize into a chapter of the Rebekah lodge in Cypress.

Add to Church Property; Plan For Expansion

Two 50-foot lots fronting on Bishop street were bought by the Cypress Church of the Nazarene this week from Mrs. Laura Schrauger, who resides in Long Beach. The land has been in her possession for over 40 years.

Last year a small one-room dwelling, which had been a landmark for most of that time, was removed to make room for a children's playground.

In order to carry out an expansion program which includes additional Sunday school classrooms, plans are underway for the building of a new parsonage to be constructed on the west side of the two lots. The remaining portion of the lots will be used for parking space for church attendance. W. D. Howard, pastor of the church, states that the acquisition of the land fills a long-felt need.

The Rev. Arthur King, former pastor of the First Baptist church, and his family from Highway Highlands called in Cypress on Saturday. They were interested visitors at Knott's berry place.

Couple Feted In Damron Home

The lovely home of Dr. and Mrs. M. H. Damron, 9821 Walker street, was the scene Tuesday evening of an elaborate pre-wedding party when the host couple entertained in honor of Mrs. Faye Arnold and Otilio Rivera, of Reno, Nevada.

Pink and white camellias were used by the hostess to accent the color scheme throughout the house. The blooms were used effectively on the mantle, together with white candles and white satin ribbon. The ribbons had been used previously by Mrs. Damron at her wedding.

In the dining room, a three-tiered cake frosted in pink and white prepared for the occasion was placed in the center of the table, which was covered with a white silk cloth. Pink and white camellias used alternately at the base of the cake, together with a service of Sterling silver, completed the beautiful arrangement.

Punch and hors d'oeuvres were served from the buffet during the evening, and at refreshment time coffee, tea and festive party sandwiches accompanied servings of cake.

Members of the party furnished their own entertainment during the evening from among the gifted and talented musicians who were present.

Assisting Mrs. Damron with hostess duties were Mrs. Dan Williams, who poured and Mmes. M. S. Robins and Rosser Williams, who served.

Present were Mr. and Mrs. Robert Fogg, Anaheim; Mr. and Mrs. J. J. Vichey, Mr. and Mrs. Vincent Marchesi, and Mrs. Reumah Damron, Huntington Park; Mr. and Mrs. Merrill Hunt, Lakewood; Mr. and Mrs. Dan Williams and Mr. and Mrs. Rosser Williams, Buena Park; Mr. and Mrs. A. E. Arnold, Mr. and Mrs. Robert Hoyt, Mr. and Mrs. M. S. Robins, Mrs. Len White, Mrs. Arthur Collins, Mr. and Mrs. E. L. McWilliams and granddaughter, Charlee Arnold and the host couple, of Cypress.

THE EASTER SEAL BOY—This smiling youngster is eight-year-old Bradford Da Pont of Glenwood, California, whose happy countenance typifies the aims and aspirations of the Society for Crippled Children in this county. Support for the treatment of thousands of handicapped youngsters comes through the public's contributions to the society's annual Easter Seal campaign, running this year from March 9 to April 9. The society's 1950 slogan is "Help Crippled Children," and the public can do that by accepting and using Easter Seals.

Park Merchants Victims of Short Change Artist

Fast-change artists took two Buena Park merchants late Wednesday afternoon of last week for \$20, the sheriff's office reported.

Victims were the U-Tell-Em market, Manchester and Grand, and the Studio Dress shop, 6515 Grand Ave., investigators said.

In each instance, a man made a small purchase and paid for it with a \$20 bill. After he had been given his change he pulled out a \$1 bill to pay for the merchandise and asked that he be given the \$20 back.

Deputies said each victim came out \$10 short on the deals but that the man got away before the fraud was noticed.

The same man is believed to have perpetrated the artifice on both victims. He did "business" with Ray L. Johnson, clerk at the market, and with Florence V. Riordan, owner of the dress shop.

Ambulance Driver Delivers Baby

Old Man Stork came a little ahead of time to Mrs. Mary K. Newton, of 8402 E. Commonwealth, Buena Park, Saturday Feb. 25, and as a result, Ambulance Driver Lloyd Wallace was receiving congratulations.

Wallace and his assistant, Ken Gocha, both employees of the Crane Ambulance Service, were called to take Mrs. Newton to the Cottage hospital at 6:10 a.m., but as they were loading her on the stretcher, it became very evident that they weren't going to make it.

Loading operations ceased immediately, and Wallace rolled up his sleeves and put his practical first aid experience to work.

Within a few minutes, the newborn child was delivered, and the loading operations began again.

Mr. and Mrs. John Renema, who recently purchased the Central Feed store, will observe their twelfth wedding anniversary on Sunday.

THIS AND THAT

CLAN GATHERS

Mr. and Mrs. Fred Walley, 5263 Lincoln avenue, were pleasantly surprised last Sunday when members of their families gathered for an unplanned reunion. It was the first time that all had met together at one time. An even dozen found their way to the table when the dinner bell rang.

Those present were Mrs. Walley's son and family, Mr. and Mrs. Harold Anderson, and son Richard of Burbank; Walley's son-in-law and daughter, Mr. and Mrs. Ralph Mathison and daughter, Jeannie Ann, of Long Beach and his son's family, Mr. and Mrs. Sherman Walley and daughter, Diane, of Long Beach.

SARTWELLS HOSTS

Invited to the Earl Sartwell home on the occasion of the couple's twenty-second wedding anniversary were Mr. and Mrs. Ben O. Jones and family and Mr. and Mrs. H. F. Davis. The dinner celebration also honored Mrs. Jones, who was observing her birthday.

Later in the week, the Sartwell's entertained again. Honored guests were the Henry Davis' and her parents, Mr. and Mrs. George Poppen from Wyndmere, North Dakota.

Earl was pleasantly surprised later that evening by a visit from Arthur Schallander, a former "buddy" when they were

young men near Johnstown, North Dakota. He is now a retired insurance man from Fargo visiting in southern California and renewing old acquaintances. The two men had not seen each other since 1909.

LEAVE FOR COLORADO

Mr. and Mrs. R. G. Simonds and their two children left Wednesday for Denver, Colorado, in their car. They will stay with her parents, Mr. and Mrs. Albert Nilson at 1295½ So. Washington for the next two or three months, until Simonds is able to return to work at Douglas. Mrs. Simonds' mother is not well, and she is needed at home. He will be able to assist his father-in-law to some degree in Nilson's cleaning plant.

A specialist in Denver will check Simonds' condition from time to time. His leg is still in a cast following a tobogganing accident in the mountains the first of the year.

DISPLAY ARTICLES

Items on display in the windows of the Cypress cleaners are donations from members of St. Pius V. Catholic church. They will be given away during the dedication ceremonies on Sunday, March 19.

Mrs. Joseph Odernatt, chairman of the ways and means committee for the Altar society, says that the articles are handmade by the ladies of the parish.

Grudge Match Between Men's Bowling Teams Results in No. 2 Winning 3-1

It was the regular time in league bowling this week that the two Cypress men's teams were scheduled to meet in their "grudge" match. The result was an uncontested victory for the Cypress Merchants No. 2. They won two games and series, while Clyde O'Neal's No. 1 outfit managed only one game.

The match was important from another standpoint, the league standings, as both teams are in a close race for third spot. The win Tuesday put the No. 1 aggregation three full games ahead, which is a comfortable lead considering that there is only a short time left for league play.

Falls Hits 616

In the Tuesday competition, Glen (Salty) Falls, captain of Merchants No. 2, had an outstanding series, one of the highest bowled by any member this year. It was a 616, with a high single game of 242.

Foster Noe had high single game for the No. 1's, rolling a 199, while Dick Hathcock's series was tops at 497.

Triangle Drops Two

Two games lost to the league-leading Hunt Foods in the

Women's handicap by the Triangle drive-in, set them back one spot in the standings. Winning only one from Hunt's dropped them out of their second place tie with Walt's Meats of Buena Park and put them into the third slot.

League standings are as follows:

Tuesday Handicap

White Elephant	63 41
Lion's Club	60 44
Lalicker's Dry Goods	60 44
Cypress Merch. No. 2	59 45
Cypress Merch. No. 1	56 48

Dotty O'Neal Will Bowl in State

Mrs. Dorothy O'Neal, captain of the local Triangle drive-in bowling team, will travel to Richmond, California, Saturday to compete in the California state women's bowling tourney.

Saturday she will roll in the team competition, representing Harm's Liquor store of Santa Ana. Monday, the doubles and singles events are to be held, in which she will also compete.

Lynx Contract For Television

A meeting in Maywood Tuesday evening between representatives of the Lynx, girl's softball club, and television station KFI-TV, resulted in a contract for televising of 14 night softball games this season. In addition, seven or eight games played by the Lynx Kittens will also be carried on video, as preliminaries.

The Lynx games will be televised on Tuesday and Wednesday nights every other week for 14 weeks. Those will be the weeks when the Los Angeles Angels are on the road. Tuesday night games will be played at Recreation Park and Wednesday night games at Amerige Park, Fullerton.

and study session.

BUILDING SUMMARY

In a three-week summary of
building permits issued for con-
struction in the western section
of the county, Cypress figured
strongly.

A permit was taken out by
Fred T. Mackay for a dwelling
with attached garage at 5282 De
Long street, \$6,786, and by J.
H. Sadler, dwelling at 5652 Dan-
ny ave., \$6,000, and garage \$540.

Other permits were to E.
Lindbloom, foundation for and
repair of dwelling at 7912 Mil-
ler rd.; Steve R. Luther, dwell-
ing foundation at 5121 Ball rd.;
Donald L. Manns of Long Beach,
tool shed and fireplace, 6081 Ball
road and Richard V. Hathecock,
5382 De Long St., a garage.

ANOTHER PAPER DRIVE

By Joe Cram, 6-A

Cypress boy scouts met at the
VFW hall March 3 at 8:45. There
were only 16 boys there. The
scouts are planning to have a
potluck dinner March 24. We
would like to invite all parents
to come with their boys. Chil-
dren are invited, too.

There is to be a paper drive
the 25th of March. Mr. Bouse
said that he would try to get two
trucks. We would appreciate it
if you would save your paper
for us.

The scouts are planning to go
on a trip March 18. All boys
must be registered before they
may go on the next trip.

ANOTHER OPERATION

V. C. Malone, better known by
his nickname "Spike," 7622 Lin-
coln avenue, was a patient in
Fullerton general hospital last
Saturday. Surgeons operated on
his right leg. His left leg was
amputated following a motor-
cycle accident on September 17,
1948.

Doctors say it may be 1951 be-
fore he will be able to go to
work. In the meantime, he drives
a specially fitted '42 Cadillac
which enables him to get around
to some extent.

'Chit-Chat from
The Teeners'

By Gloria McKinzie

Peggy Flynn had a get-to-
gether last Friday night. The
ones there were Johnnie Wright,
Russell Noe, Chuck Bell, Bob
Van Dyke, Tom Boudreau, Ralph
Mason, Tom Cook, Duane Dun-
can, Vance Newkirk, Louie
Stephens, Warner Gedney, Art
Matherson, Neal Collins, Betty
Murphy, Kay Kelliker, Bev.
Cook, Lolly Slabaugh, Marian
Simmons, and Rosie Johnson. It
seems Duane Duncan was quite
bored because Shirlee Boudreau
wasn't there so he went to
sleep!

Best dressed girl in the Hi-
teen group is Marie Schelling
and Shirlee Boudreau for person-
ality of the week.

Best dressed boy for the Hi-
teen group this week is Warner
Gedney and for personality is
Ralph Mason.

Carlene Bremmer had a sur-
prise party for Mary Lou Hoxsie
last Friday night. Those at the
gay affair were Rosetta Smith,
Roberta Raub, Vevah Gail Bod-
kins, Coleen Phillips, Rosie Dean,
Kaker Van Dyke, Paul Capere-
one, Buddy Chambers, Mike
Troop, Jimmy McLaughlin, Walt
Beuck, Nolan Blackman, Narcie
Ferriera, and Wayne Martin.
Everyone had a neat time.

The couple of the week is
Norma Bounds and Norman Dun-
can.

Elections for officers of Cy-
press Hi-teens were held. The re-
sults are that Norman Duncan
is the new president with Tom
Boudreau, Pat Dewell, and De-
lores Coelho as vice president,
secretary and treasurer respec-
tively. Congratulations, kids!

A formal dance is planned for

March 18 by Hi-teens. The
boys will go semi-formal and
and the girls formal. The girls
must be asked by a boy, and no
stags allowed. Also, the boys
will purchase corsages for the
girls.

WILDFLOWERS IN BLOOM

The Automobile club of Southern California advises that a few scattered patches of wildflowers have been noted this week at the foot of Bear Mountain and in the Arvin district. These displays, featuring mostly lupins and poppies, are expected to be in full bloom in about 10 days to two weeks if the weather remains favorable.

Statement of Finances Cypress Recreational Park, Inc.

The following financial statement prepared by a tax accountant was used as the basis of an exemption affidavit filed with the Collector of Internal Revenue in Los Angeles, for the Cypress Recreational Park, Inc.

Monday the county board of supervisors took an option to purchase the property to be used for a park site. Cypress residents voted last fall in favor of forming a park district.

A total price of \$10,500 has been agreed upon. After payment of the balance due on the land which is \$8,100 plus taxes, the remaining sum, added to cash in the bank, will allow for a substantial sum to be used in developing the park. Proceeds from a contemplated "White Gold day" celebration this year will also be added.

Club Lists Roundup Of Tax Deductions Affecting Motorists

The Automobile club of Southern California Monday reminded motorists that they may not deduct sums paid for California gasoline taxes in filing 1949 Federal income tax returns.

Retail sales taxes paid on such purchases as automobiles and accessories are deductible, the club pointed out, but this does not include sums paid as state gasoline taxes for such taxes are considered levied upon the producer; not the consumer. Gasoline taxes, however, are deductible on state income returns.

All amounts paid during the year as registration fees, vehicle license fees, operator and chauffeur license fees and personal property and municipal taxes may also be reported, the club states.

Other deductible items that motorists may report include amounts paid for interest on auto loans and for losses or damages to taxpayer's vehicles not compensated for by insurance adjustments.

In computing adjusted gross incomes, motorists are entitled to deduct all maintenance, depreciation, and insurance costs for vehicles used entirely for business.

When cars have been used for both business and pleasure, a proportionate amount of these expenses, based on business use only, may be allowed.

The club points out that such expenses in pleasure driving as insurance, finance charges, traffic fines and Federal excise taxes on tires, tubes, oils, accessories, are not deductible on federal returns.

FAILURE TO START

Loose or corroded battery terminals and pitted ignition points are two of the most frequent causes of an auto engine failing to start, says the Automobile club of Southern California.

Colorado State Picnic to Be Held March 12

Sycamore Grove park in Los Angeles will be the scene of the Colorado state picnic Sunday. The affair is under the sponsorship of the Colorado state society of Southern California, according to Arthur W. Monroe, newly-elected recording secretary.

ENJOY HOT WATER APLENTY

...FASTER AND CHEAPER

WITH

GAS

If you don't have an abundance of hot water

for every household use, stop and think. Has your family increased in size? Have you installed an automatic clothes washer or dishwasher? Each steps up your use of hot water substantially. So for a constant hot water supply and real convenience, you may need a larger heater. Plan now to have oceans of hot water. For gas heats water three times faster and costs far less.

YOU CAN OUTGROW A WATER HEATER, TOO!

Just as easily as a baby outgrows his shoes, so can your family's use of hot water gradually exceed the capacity of your present water heater. Study the chart at right. It tells the minimum size of automatic gas water heater you need in your home. Then talk to your dealer or Gas Company. You'll find that automatic gas water heaters cost less to buy, too!
